

Y5/6 NEWSLETTER

AUTUMN 1

Dear parents & carers,

Welcome to Year 5 and 6! I am delighted to welcome you and your child to our class for the year ahead. I am especially excited to be teaching all of the children again this year and to continue supporting them as they grow in confidence, knowledge and independence. We have lots of exciting things planned, including engaging topics, memorable learning experiences and plenty of opportunities for children to challenge themselves and achieve their very best. I am looking forward to working closely with you and sharing a fantastic year of learning together. Miss Wilkinson 😊

What we are learning

- English : Narrative & Diary entries.
- Maths : Place value, number and multiplication and division
- Reading : Shackleton's journey
- Science : Electricity
- Geography : Arctic & Fossil fuels
- Art : Street art
- PSHE : Being me in our world
- Computing : Computing systems
- Music : Melody and harmony
- RE : Beliefs in action
- Languages : French numbers

Ask your child about...

- What's happening in their book?
- What are you most proud of from your learning this week?
- What is your next step in your learning and how can I help you achieve it?
- Can you teach me something you have learnt this week?
- What was the most important thing you learnt today? Why?

Reminder

Daily Reading:

Please encourage your child to read at home for at least 15 minutes each day. It helps build their reading skills and fosters a love for books.

Times tables:

Times tables form the basis of key mathematical concepts. Please encourage times table rockstars and rehearsal of the tables and their inverses.
