Dear Parents and Carers,

I am delighted to inform you that Year 4 have the fantastic opportunity to visit Eureka Science Museum on the 7th of May 2026. This exciting trip will enhance the children's learning by offering hands-on, interactive experiences that link directly to the science curriculum, including topics such as forces, electricity, and the human body. It will encourage curiosity, problem-solving, and teamwork while helping pupils apply classroom knowledge in a real-world setting. By making science fun and memorable, the visit aims to deepen understanding and inspire a lasting interest in STEM subjects.

The overall cost of the trip (including the ticket price and coach) is **£34.00** per child. All payments can be made through your Arbor account (either through the website or via the app), you can find them under the trips section. If you are eligible for subsidised price this will be applied to your account automatically in Arbor.
